ABOUT ME

I'm Emmie, a 2D animator and production artist. I have several years of experience in storyboarding, animation, background art, graphic design, video editing and the (roller) blade.

EXPERIENCE

- ◆ Animator + Background Artist - Bonbonnie
2023 to Present
Creates backgrounds, animation and production art in a directed, team-based environment. Provides process work and iterations in a timely manner to pioneer graphics used for a pitch bible.
- ◆ Graphic Artist - Unreleased Zine
2024 to Present
Communicates proficiently with project director to create promotional graphics for a zine of 20+ artists. Discusses deadlines and graphic requirements with Social Media Manager to deliver content to 1000+ potential buyers.
- ◆ Art Lead - Flights of Fancy
2024
Excels in creating 100+ backgrounds, two minutes of storyboard animatic, and animation. Effectively organises weekly meetings to communicate with team, and creates style guides and references critical to project success.
- ◆ Self-Directed Client Freelance
2022 to Present
Self-manages commission work for illustration and character design. Delivers iterations in a timely manner and communicates with clients to develop ideas and vision.
